Group 7 - Sprint 4 Review Report

(Otto Pärnänen, Jarmo Illikainen, Aaron Lyhtinen)

What has been done:

- Fixed start quiz bug (possible to stack infinite quizzes)
- Made UI to completely refresh when logging in and logging out
- Hid all unnecessary action buttons mid quiz
- Fixed progress tracking bug
- Finalized the application prototype

What is in progress:

- Nothing major is in progress and everything is done

Obstacles we faced:

- There weren't any obstacles because we managed to do everything major in sprint 3 due to misunderstanding thinking that we need to do docker completely to the point of having the build in docker hub.
